

## Meet your customers where they are – using our tools and your branding

### TeamSupport's BPO/White Label Reseller Partner Program allows you to deliver a completely personalized live chat platform

Partner with TeamSupport in our Messaging & Live Chat BPO Partner Program, to increase your revenue streams and service offerings by utilizing our Messaging & Live Chat software under your own brand.

### Deep Customizations

- ▶ Fully white labeled and hosted on your own URL domain
- ▶ Ability to skip releases and rollback releases
- ▶ Wholesale pricing, APIs, and more!

### Administrative control

- ▶ Provision new accounts programmatically
- ▶ Manage customers under unique sub-accounts
- ▶ Provide customers with an administrative portal
- ▶ Clone accounts and templates, and more!

### Revenue opportunities

- ▶ Acquisition: implement proactive engagement, 24/7 availability, and overflow capabilities
- ▶ Adoption: meet your customers where they are across channels and languages
- ▶ Expansion: scale your business through automation without adding headcount

### Strong security

- ▶ HIPAA compliant
- ▶ Secure data transfer configurations
- ▶ GDPR and CCPA compliant

### Expert partners

- ▶ Ongoing strategy sessions with our experts
- ▶ Live Chat Academy and comprehensive enablement programs for your team
- ▶ Dedicated customer success manager

Partner with us today, the world's first live chat software provider with a completely white labeled program, to start engaging with your customers through messaging and live chat.

TeamSupport currently offers translations in over 100 languages to ensure you can chat live with a global audience. Worrying about being unavailable to your customers is no longer an issue - offer 24/7/365 support through an engaging, award-winning customer service chat.
